

NASSAU INTERGROUP of Alcoholics ANONYMOUS

As of 1/8/2018

Nassau Intergroup (NIAA) provides this listing of AA meetings in Nassau County to enable those interested in finding AA meetings to do so. In the spirit of AA's Tradition Four which guarantees full autonomy to all groups within the Fellowship, Nassau Intergroup has no role in the establishment of these meetings. It neither monitors the meetings, nor does it have authority, control or responsibility for their day to day operation, conduct or management.

NIAA makes every effort to publish what is believed to be current and correct AA meeting information, but can make no claim about the current accuracy of the information. NIAA relies entirely on information as provided by the participating groups, information which may also be subject to transient changes on short notice. NIAA does not confirm meeting information, but rather trusts in the good will and honest efforts of the involved groups. For the most up to date listings, check the monthly newsletter for changes or go to <http://nassaunya-aa.org>.
