Night Book, Night Book, Night Book

Hello all . . . the Hotline is going smoothly. Groups usually take the book if they can the same month every year; so I'll be calling the last Rep to confirm.

We need May and June filled.

The Hotline is pretty easy. The phone gets transferred to your house at 5:00pm. Most of the calls are simple meeting requests till 9 pm.

Then some are alcoholics wanting to talk to someone. These are most of the calls after 9 pm. You will have a briefcase with contact numbers.

Your phone will be transferred back again at 9:00 am.

It's a great feeling to do service and be connected to A.A. as a whole!

Thanks to the following groups for doing the nightbook in February:

- ✓ *Port Washington Group*
- ✓ *New Beginnings Group Long Beach*
- ✓ *Sobriety with Hope Group Merrick*
- ✓ *One Day at a Time Group Malverne*

From the Chair:

Over the years I have been privileged to attend many, many conventions. The one that really stands out was the 50th Birthday of A.A., held in Montreal in 1985. I thank my mentor Teddi, for encouraging me to come along with her. We never connected that weekend but I was with other friends, so **never alone**. Conventions are an opportunity for us to socialize and have fun but also feel part of something spiritually nourishing. We are fun-loving people and it shows when we get together. I have been to our area convention over the years and have always enjoyed them. I encourage anyone who wants to experience something like this to do so. You may come up for the day for a small registration fee and participate in Saturday's program if you don't have the means for the entire weekend. Don't feel overwhelmed! We will be there to welcome you. Some friends and myself help with registration and we will be looking for you! Thanks Denis, for chairing this event, and to all your committee for their service. See you in Tarrytown at the end of the month.

Together We Can,
