SERVICE

THE GIFT THAT KEEPS GIVING AND RECEIVING

I wish I had a cup of coffee for every time I heard someone say, "I received more from helping someone than I feel I gave." Service to our fellows is one of the key elements of sobriety. Give as it was freely given. Coming in September 2010 the Nominating Committee will be reporting to the Intergroup Rep's a list of names they believe to be qualified and capable, to serve, for the positions of Chairperson, 1st Vice Chair, 2nd Vice Chair, and hopefully persons for the Secretary and Treasurer positions. However, it is important to note that the Elections for these five positions are open to current Intergroup Rep's, Current Committee Chairs, and Present Officers who can run for a second term or other Office; NOTE: The Chairperson cannot run for a successive term. The elections will be held in October 2010 at the Intergroup Rep's meeting. Also, at the end of 2010 some of the Committee Chairs, notably 12 Step List, Cooperation with the Professional Community, and Public Information will be rotating from their positions, and as always, we still need people to continue to provide service, to all those who need our help. All of the Committees need your support yet we are in dire need of help with the Special Needs Committee.

WHEELCHAIR ACCESS

TO MEETINGS

Imagine you had finally summoned either the courage or desperation to make it to your first AA meeting, and when you got there you couldn't get in. Imagine further that this frustrating experience was repeated on multiple other occasions. For an alcoholic, the experience could be life-threatening. Unfortunately, that's the experience of many suffering alcoholics coming to AA who also happen to be wheelchair users.

It is not uncommon for meetings listed as accessible to in fact be inaccessible. When we allow that accessible meetings are few and far between to start with, this becomes a huge problem for our fellow sufferers who are wheelchair users.

The symbol above is generally understood to represent full access to a site or service for individuals using a wheelchair consistent with the guidelines of the Americans with Disabilities Act (ADA). It means that things like parking, building entry, rest facilities, water fountains and public phones are fully available to individuals using a wheelchair without barrier and unaided consistent with ADA standards. Similarly, Nassau Intergroup uses this symbol in its meeting lists to denote AA meetings which are believed to be accessible.

NI is reaching out to all groups, but particularly those currently listed as accessible. **Does your group's meeting place meet the following "minimal definition" of accessibility?**

An **unaided individual in a wheelchair can:**

Enter the building and get to the meeting room (no steps, a gently inclined ramp if the entrance is not at street level, and can open any doors);

Access and use the rest facilities.

While this "minimal definition" does not specifically confirm the ADA specifications for accessibility, it may nevertheless serve as a guide. **Please reply by phone, mail or email (1stvice@nassauny-aa(dot)org) to First Vice Chair at NI by October 1, 2010 or before.** Based on your responses, NI will update the meeting lists.

This is our second outreach to the groups in Nassau on this question. Please respond if you did not do so before. We thank you in advance for your cooperation and participation.

In service,
First Vice Chair

From the Second Vice Chair-

NYS INFORMATIONAL WORKSHOP

I attended the NYS Informational Workshop on August 6th, 7th, & 8th held at the Graymoore Spiritual Life Center. The workshop was hosted by Area 49. I would like to thank Cindy, the chair of the event and the committee for making the workshop unbelievably successful. Graymoore was a perfect setting for the spiritual information presented by Areas 47, 48, 49, & 50, hosted by SENY. If there was one piece of information I can give it would be to tell all members of our fellowship to attend the workshop at least one time. To experience the layers of service whether it's GSO, World Services, SENY, or Intergroups, we are all apart of the fellowship of Alcoholics Anonymous, striving to carry out our primary purpose, the Fifth Tradition. I was most impressed with the future direction of AA regarding websites and information provided via computers including literature, information, and meetings. Having lived in other areas of the country I have a new found appreciation for being a member of Nassau County. There are limited opportunities for spiritual growth through service right here at home. I was especially interested in the Special Needs Panel. Our altruistic goal is that we're all inclusive not exclusive. Reminding us that we have to have access for every sick and suffering alcoholic. Although access is determined by our landlords, (many in church basements), it is important that each group takes responsibility for understanding the basic needs for those with mobility issues.

In Love And Service,
2nd Vice Chair

From the Meeting List Chair Meeting List

Of the various functions that Nassau Intergroup is charged with carrying out on a day-to-day basis, the one that probably affects most of us directly is that of maintaining and publishing the Meeting List.

The meeting list generally gets printed twice a year: Once in November (in time for the Holiday Alkathons) and then again in May. These are made available to any group or individual at no charge and can be picked up at the office 7 days a week.

Keeping track of over 250 groups and all of their meetings is not an easy task, and we need your assistance to keep this list as accurate as possible. There is nothing more disappointing than heading out to a meeting, finding the meeting place only to discover that the meeting started 45 minutes ago, or even more aggravating, getting there only to find that the group is no longer in existence. You know how you would feel, think of the impression this would give to a newcomer.

The only way we have of checking on the listings is through you. We need your input on any corrections to the meetings for your home group or any of the other meetings you attend.

Changes are only accepted when submitted on the Meeting List Change form which is available at the office or on the website. All portions must be completed. Very simply the upper grid should be filled in as the entry actually appears in the current issue of the meeting list, and then the lower grid should be filled in as it should appear in the next printing (be sure to include all the information Town, Group Name, Meeting Facility and Facility address, as well as any notations about the meetings, the type, C, CD, BB, etc, in addition to notes about anniversary meetings and so on.

The deadline for inclusion in the November 2010 printing is the October Intergroup's representatives meeting (Oct 7th).

Groups must be meeting for six months before they get listed in the printed list, but do get listed in the Newsletter and on the website as soon as a Change Form has been submitted. Also note that changes submitted between printings do get listed in the Newsletter and on the website until the next printing.

Please help us make our meeting list as up-to-date and accurate as it can be.

Yours in service,
Meeting List Chair
